Generation of Library Constructs

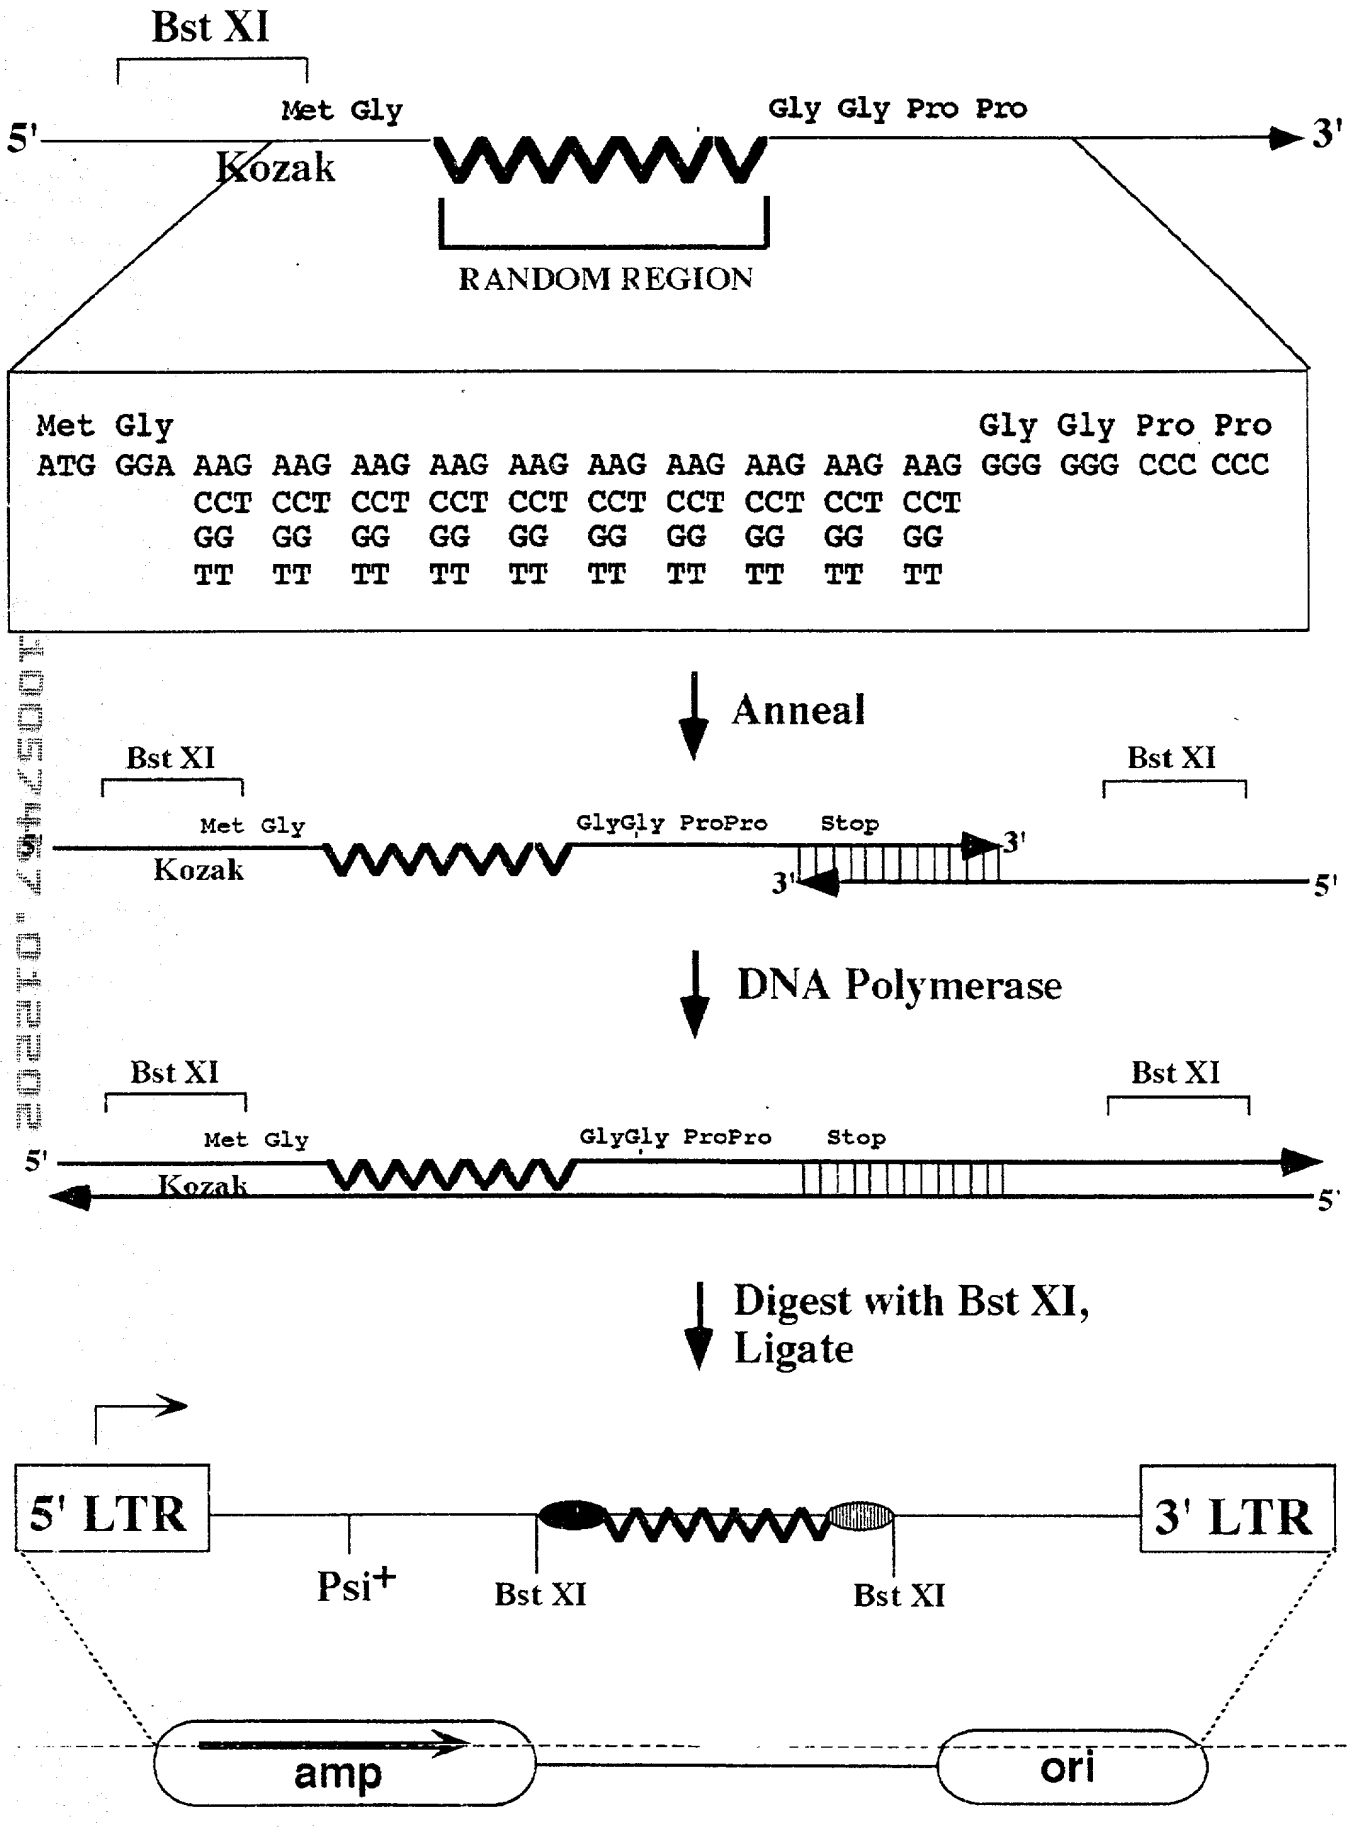

Exhibit 2 of 5 pages

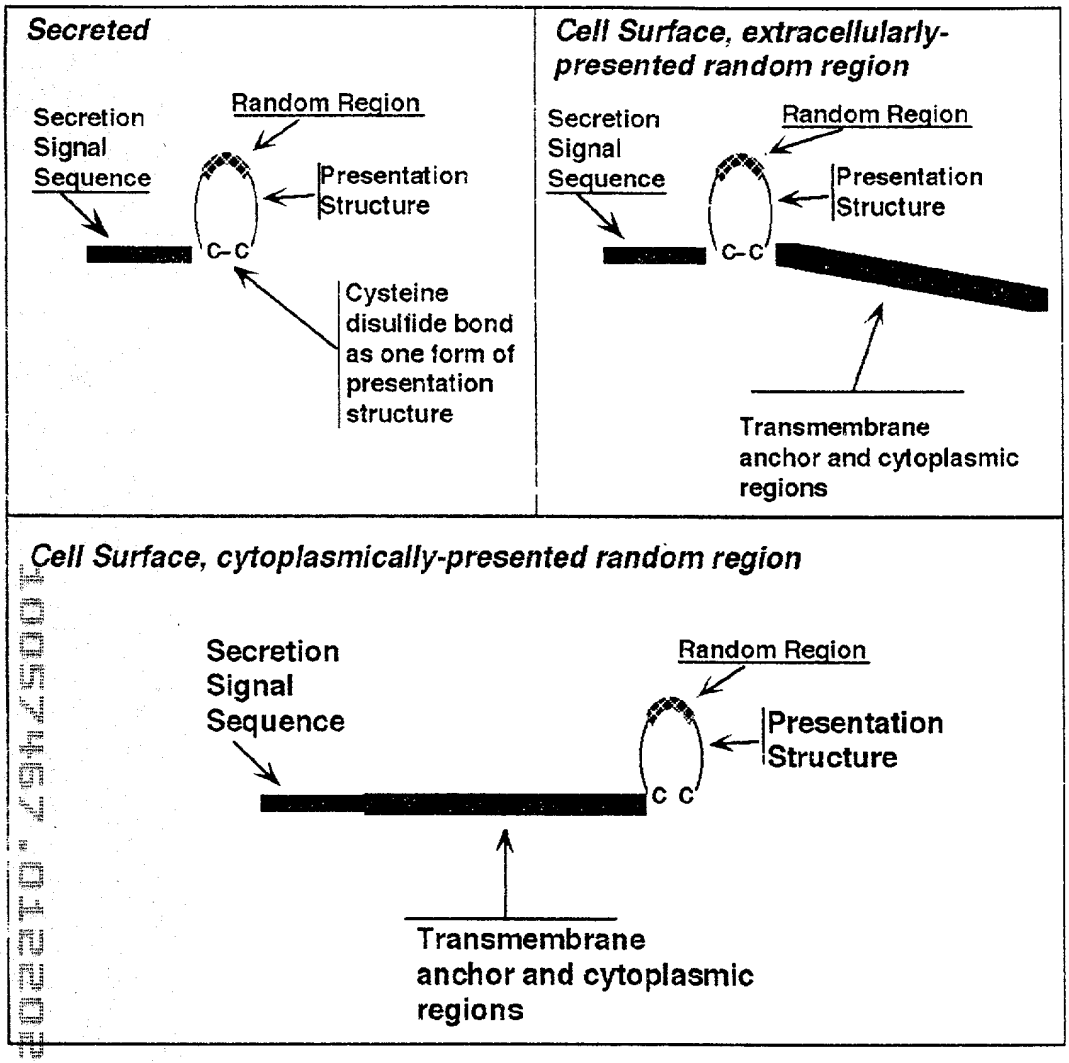
Figure 3.



Secreted
Secretion Signal Sequence
Random Region
Presentation Structure
C-C
Cysteine disulfide bond as one form of presentation structure
Cell Surface, extracellularly-presented random region
Secretion Signal Sequence
Random Region
Presentation Structure
C-C
Transmembrane anchor and cytoplasmic regions
Cell Surface, cytoplasmically-presented random region
Secretion Signal Sequence
Random Region
Presentation Structure
C C
Transmembrane anchor and cytoplasmic regions
